DEPOPULATION THROUGH VACCINATION

Revelation 6:8 I looked, and there before me was a pale horse! Its rider was named Death, and Hades was following close behind him. They were given power over a quarter of the earth to kill by sword, famine and plague, and by the wild beasts of the earth.

The United Nations was created by the Vatican through the Rockefellars\(^1\) who are part of the Rothschilds syndicate. John D. Rockefeller Jr. supplied the land for the UN complex in New York. The UN was created in 1945 as a result of the loss of World War II by the Vatican controlled Axis Powers. Through the horrors of WW2, the Jesuits (Illuminati) at the Vatican were able to gain public support of a one world government at the UN. Although Emperor Hirohito\(^2\) of Japan wanted to rule the world, he worked together with the Vatican controlled Axis powers in Europe. These self-absorbed egotistical madmen want to be worshipped as gods through force, fear, and murder, and do not want competition. Hirohito may have agreed to divide the plunder, but the Vatican wants it all and kills those rulers who threaten their dominance.

Eugenics and depopulation\(^3\) were policies being promoted from even before Thomas Malthus in the early 19\(^{th}\) century, who learned from the Jesuits. The depopulation leaders suggest that the world population needs to be reduced to under 500 million people from the current seven billion. This is written in stone at the Georgia Guidestones. Bill Gates and David Rockefeller have stated their depopulation goals in conferences on video. The Bible says in Revelation 6:8 that the Antichrist and the Beast out of the Sea will kill 1/4 of the world's population. Both Germany and Japan performed live human experiments in concentration camps to develop mass killing methods through biological warfare, and methods for total mind control.
Japan's Unit 731⁴ was especially notorious for the atrocities committed against humanity. They also experimented on entire communities by giving contaminated food and clothes as gifts, spraying and bombing with diseases, and contaminating water supplies. After World War II, the doctors that performed live dissections and tortured prisoners were given amnesty by the UN in return for the findings of their hideous experiments. Emperor Hirohito was honored like a god after all this. In Japan, the doctors that committed these heinous crimes went on to own pharmaceutical companies and work in high offices in government. Green Cross Pharmaceuticals⁵ in Japan was owned by one of these doctors, and in 1975 was found to be contaminating blood products with Hepatitis C.

From the beginning of the UN's creation, depopulation was a major goal.⁶ In 1974, Henry Kissinger⁷ suggested in an official report (NSSM 200⁸) to the United Nations that their plan for depopulation could be best carried out through vaccinations. The NSSM 200 report, the Unit 731 atrocities, the live human experiments in Germany, and political immunity for the doctors, was kept top secret until the late 1980s. Through an organization called GAVI⁹, the plan that Henry Kissinger outlined is being carried out worldwide. The Bill and Melinda Gates Foundation is the major contributor of the UN GAVI plan to depopulate the world through vaccinations.

The 1918 swine flu virus that killed an estimated 50 million people worldwide was spread through vaccinations. In 1976, the mass media spread fear about a swine flu epidemic and 45 million people in the USA were vaccinated. Only one person was reported to die from the flu, while almost 30 died and many thousands more were disabled from the vaccine. Mandatory inoculations of preschool children has increased dramatically,
and the mercury in the shots is known to cause autism, brain damage, and death. Other experiments with radiation have been performed on children en masse that resulted in the death of a substantial number of subjects.  

The current push for mandatory vaccinations and quarantines is a plan of the United Nations to depopulate the world, and to dumb people down to willingly become slaves. RFID chips are used as tracking devices for merchandise, and are being advertised in propaganda as being useful for monitoring diseases, finding lost people, and giving artificial intelligence. The idea of gaining intelligence through brain implants may be a reason the Bible says some people will receive the mark in their forehead. The RFID chip implants are known to cause cancer and yet are approved by the FDA. The Bible specifically warns against receiving the Mark of the Beast (Revelation 14:11).

Mandatory vaccination and RFID legislation is being implemented all over the world. Mandatory digital implant identification is written into Obamacare Healthcare laws in the USA. It is inconceivable that Barak Obama himself devised and wrote the comprehensive laws in Obamacare. No one really knows how many pages are in the Obamacare Bill but estimates are from 2,000 to over 20,000 pages. Propaganda is programming people to willingly receive the RFID implant tracking chips. Laws are being passed to quarantine citizens into concentration camps who refuse the vaccinations under Fema Plan REX 84, and busses are already manufactured for transporting people to quarantine camps.

Since the Vatican already controls all the currencies in the world, the motive they have is complete world domination. According to the report of Aaron Russo, who interviewed David Rockefeller on
the motives of the New World Order, David Rockefeller declared that their intention is to use fear to cause everyone to receive an RFID chip implant so that their chip can be turned off if they don't cooperate and obey. It becomes obvious that their plan is to make people unable to buy or sell unless they bow to the one world emperor and his satanic religion and government.

The recent global H1N1 pandemic propaganda is a major part of the NWO plan for global takeover and genocide. In June of 2008, 350 homeless people in Poland were given what they were told was a regular flu vaccination. However, the vaccination contained bird flu which killed 21 of the experimental subjects.\textsuperscript{12} No one was prosecuted in the incident. In February of 2009, the first batch of the swine flu vaccination was distributed to many nations in Europe. A lab technician in the Czech Republic unexpectedly tested the vaccinations on lab animals before distribution. All of the lab animals died as a result and tests revealed that the vaccinations contained bird flu. This was reported to the World Health Organization of the United Nations. After the WHO investigation, a recommendation was made that stronger veterinary laws be passed to forbid testing on animals. Jane Burgermeister\textsuperscript{13} then lost her job as an investigative journalist when she brought criminal charges against the UN, the WHO, Baxter Pharmaceuticals, and several politicians for bioterrorism and an attempt to commit mass genocide. A judge in Austria later dropped the charges. Baxter Pharmaceuticals was the company that made the vaccinations, and Barak Obama owned stock in the company.\textsuperscript{14} Some believe that the bird flu virus will be slowly increased in the H1N1 vaccinations to cause increasing numbers of deaths, and to claim mutation of the virus and the need for more vaccinations. Vaccinations and innoculations also contain mercury, squalene additive, antifreeze, and preservatives that that cause several types of serious complications, autism, and
death.

Since the plan of genocide was exposed and the vaccinations were impeded, the propaganda of the NWO mass media was surpressed. Nevertheless, the WHO of the United Nations proclaimed a level 6 pandemic in June 2009\textsuperscript{15} in spite of no pandemic existing. By declaring a level 6 pandemic, the WHO officially took control of all nations and activated martial law provisions throughout the world. The nations are in readiness to take orders from the WHO. In July 2009, the WHO ordered the USA Center For Disease Control and other agencies to stop counting the number of H1N1 flu cases. This means that all mass media reports of numbers of cases are false and are intended to promote the vaccinations. There are thousands of cases being reported of deaths and serious physical damage from the vaccinations which are not reported in the mass media at all. There was also a CBS investigative news report\textsuperscript{16} showing that more than 90% of the reported swine flu cases were not even the flu, let alone the swine flu.

In spite of the absence of any swine flu pandemic, in October 2009 Barak Obama (who owned stock in Baxter Pharmaceuticals) declared a national emergency. Barak Obama was later given a seat as President of the UN Security Council, which is unconstitutional. Presidents of the USA are not allowed to accept offices or titles from foreign powers without approval from Congress. To accept a position which compromises the President’s allegiance to the USA, and to take orders from foreign powers is high treason. When he declared national emergency based on an H1N1 pandemic, he officially activated all the executive orders that pertain to martial law in the USA. Under UN Level 6 Pandemic, the nations are perpetually waiting for the order from the UN to declare martial law and begin the global
genocide that the Bible calls the Abomination of Desolation (Matthew 24). The Bible says in Daniel 9:27 that the Abomination of Desolation will occur in the middle of the seven year agreement. God’s patience means salvation for more people as the Gospel is proclaimed, but His judgment will come (2 Peter 3:15). In the meantime, the NWO is getting everything in place, programming people through propaganda, and testing reactions.

The owners of the patents for the H1N1 virus (New Zealanders Robert Webster and Richard Webby) were the directors of the WHO virus laboratories. They were also on the payroll at St. Jude's Children's Research Hospital for work on viruses. This undeniably identifies them with the Vatican. The organization that is calling the shots and taking over the world are the owners of the H1N1 virus. They hide their diabolical plans behind a mask of humanitarian goodwill and political correctness.

Other known methods of depopulation, experiments on populations, and population control, include chemtrails from planes intentionally released into the air, and the contents are often top secret. The government has been told in courts to cease from this activity. Fluorine is one of the deadliest substances, and was the main ingredient used in Atomic bomb production at the end of WW2. It is now used in water supplies and has been proven to be harmful to health. Fluoride is fluorine combined with other chemicals and is found in many household products including Teflon, toothpaste, and medicines, some of which have warnings on their labels about the poison nature of the substance. Wars are used to kill off large populations. The CIA has also experimented with radio waves for mind control and other effects.

The propaganda of the New World Order is designed to cause fear to motivate people to submit to their plans. You don’t need to
fear anything if you have the assurance of eternal life with God in Heaven through faith in Jesus Christ alone. The Lord Jesus Christ will return to defeat them and take His rightful seat as loving Lord of all (Revelation 20:9-11).
